

"I am a Native of North America" - Chief Dan George

1. How/when does George experience each lifestyle?

2.

Native values/lifestyle	White Brothers' values/lifestyle
5 words that make this lifestyle seem positive:	5 words that make this lifestyle seem negative:

3. In the first few paragraphs, what are 4 sacred gifts that he talks about?

Sacred gift	How it is shown

4. a) Which sacred gift does George feel that his White Brothers need to adopt from Native culture?

b) How does he emphasize this in his essay?

c) Why does he feel they need it?

5. Why is a wounded deer a good simile (comparison) for Native Culture? (*how is Native culture as George describes it like a deer and how/why is it wounded?*)

6. According to George...

a) What is valuable about Native culture?

b) How would his White brothers benefit from learning Native values/ways?

c) How would Natives benefit if the White mainstream culture adopted/learned some of the Native values/ways?
